There is an old adage that "giant oaks from little acorns grow." Right now we are all interested in improving our community income and it is a pleasure to sight examples of progress and to give credit to those who are responsible. The best story of the day and next in importance to the poultry deal which seems assured, is the announcement from Texas Power & Light Company of the harvest of the castor bean crop in Milam County. Only 1933 pounds were harvested from three and one-half acres and the crop was planted as an experiment. It is interesting to note that castor beans will yield around 840 more or less per acre. There is a wide demand for castor beans. Our attention is called to this crop by J. Albert Young, Jr., District Manager of the Texas Power & Light Company here. Farmers who participated in the experimental growth are John B. Henderson, D. K. Hall, J. A. Henderson, Ed Pagel and Milton Boone. There is every indication that some day castor beans will be grown in large quantities and many acres will be devoted to its production. It is regrettable that we can not take advantage of our opportunities to sponsor a better agricultural program in this county. First we must invest in men who know how to get the job done and when we do that we are far along the road to success. The Farmers are willing and are waiting for someone to lead the way.

Un-officially of course, we hear that Milam County's cotton acreage for 1941 has been cut more than 13,000 acres. Added to continued restrictions over the period of the farm program this just about finishes us as a first rate cotton producing county. There were days when the proud boast of us all was the annual production of the greatest money crop the south has ever known. Now we must face a new day and face it we will. The importance of finding some way around this misfortune must surely be the part of those who are capable of leading the community. While the loss of cotton has entailed economic losses from which the years may not bring recovery, it is heartening to see other developments. The livestock industry of Milam county today is almost equal to that of 40 years ago. There was a time when the number of livestock was larger than the population. We are at the crossroads and if we can bring to bear an interest of sufficient magnitude we will emerge and regain our prosperity. I think the most important opportunity in years has come to Cameron and I believe if we take advantage of it we will so fortify ourselves that the loss of our major crop can be readily supplemented. Of course we are still talking about the poultry program. This program comes to us with financial backing which requires no effort on the part of the community. It is highly important at this time that co-operation be extended and interest be created to the end that we may launch on a solid foundation a business, the future of which is unlimited.

I talked to members of the Commissioners' Court today to get information on the proposed Stamp Deal through which local merchants may be benefited by discontinuing free distribution of merchandise. The members of the Court are very sympathetic and say they are making every effort to find out just how beneficial this program will be and if they are convinced it is needed there will be no hesitancy in putting the program into operation. Briefly this plan is to give local merchants the benefit of such business as may result. Any system that destroys free trade is harmful. Merchants who pay taxes and employ labor should be given the benefit of trade. Briefly the plan would discontinue the distribution of food products at

REV. T. F. O'SULLIVAN GOES TO TAYLOR CHURCH

Rev. T. F. O'Sullivan, pastor of St. Michael's church, Burlington has been appointed by Bishop C. E. Byrne of Galveston to succeed the late Rev. Theo. Drees as pastor of St. Mary's church, Taylor.

Rev. O'Sullivan, a native of Lime- rick, Ireland, is one of three brothers who are priests. The other two brothers are Rev. Michael O'Sullivan of Immaculate Conception church in Masonville, Iowa, and Rev. Joseph P. O'Sullivan, assistant pastor of Assumption church, Waco. His sister, Sister Mary of the Rosary, is a nun in New Brighton, England.

Rev. O'Sullivan received his preparatory education for the priesthood in Ireland and completed his philosophical and theological studies at St. Mary's Seminary, LaPorte, Texas. He was ordained to the priesthood in 1925 at St. Mary's Cathedral, Galveston. After his ordination he was appointed in turn as assistant pastor of Assumption church, Waco; St. Mary's church, Port Arthur; Sacred Heart and St. Mary's churches in Houston.

Rev. O'Sullivan was appointed pastor of the Burlington church in 1934, and has been there since. During this time, he has endeared himself to his parishioners. His untiring efforts were devoted in the promoting of parish activities and the various study groups and organizations now flourishing in St. Michael's parish may be considered a tribute to his work. However his best executive ability is linked with his interest in Catholic education.

The Catholics of St. Mary's church, Taylor are fortunate in having for their pastor, a priest with such able leadership. Rev. Frank Matustik will continue to be assistant pastor of St. Mary's Cathedral in Galveston, will succeed Father O'Sullivan as pastor at St. Michael's church in Burlington.

As a farewell to their pastor, the Catholics of Burlington gave Rev. O'Sullivan a dinner with all parishioners of the church present and a number of priests from surrounding towns and cities.

147 Legionnaires in Cameron Register

It was announced here today that 147 Ex-Service Men signed questionnaires under the Legion plan to make available to the United States Government these former soldiers in whatever capacity they are needed.

E. W. Streetman, Post Commander, said that the registration was not complete because the blanks were short. He has ordered additional blanks and will set another day for completion of the registration.

Mr. Streetman is waiting on instructions from the National Department whether registration may be continued, but expressed the belief registration dates would be left up to local posts.

The men registered here are from the local post. The committee ran out of blanks at 3 p. m. on Saturday.

Future Farmers at Buckholts Banquet

The Buckholts Chapter of the Future Farmers of America gave their annual Father and Son banquet on Friday night, February 21st at the school gymnasium.

The officers of the chapter presided at the banquet which was very ably prepared and served by the home economics class of the Buckholts High School.

Rev. McCrary gave the invocation. Buddy Horstmann introduced the speakers. Judge Graham Gillis gave the principal address on "George Washington, the Farmer."

Among the one hundred and twenty-five present was Senator Kyle Vick who commented briefly on pending legislation that was of interest to the audience.

The Future Farmers spoke on their projects and aims and officials of the chapter closed the ceremony.

Southwestern Life Insurance Company Shows Big Gain In Insurance and Assets For 1940

A gain of \$20,364,403 in insurance in force for the year 1940, giving the company a total of \$381,132,934 insurance in force, is reported in the 38th annual report to Southwestern Life policyowners, C. F. O'Donnell, president, announced today. This is the largest gain in insurance in force the company has had since the beginning of the depression ten years ago.

The figures are contained in a statement just received here by S. E. Brogdon, Cameron representative.

Reflecting an unusual growth during the past ten years, the company's insurance in force has increased more than 36 per cent during that time while assets were increasing more than 105 per cent.

The company's 38th annual financial statement reflects continued progress of this Texas institution. The company continued its enviable record of never having had a default of interest or principal on any bond owned by it. Its assets increased more than \$6,000,000 during 1940, total assets of Southwestern Life being reported as \$73,415,129.77.

The 38th annual report shows that the company carries no real estate in excess of current market value, and that it continued to earn a rate of interest during 1940 in excess of 4 per cent.

The company confines its business to the State of Texas and aside from its investments in United States government securities, practically all of its investments are in Texas.

The 38th annual report shows that

S. E. BROGDON

S. E. Brogdon has been representative in Cameron for Southwestern Life Insurance Company for 17 years. The financial statement of the company published in this issue is a reflection of enterprise of agents like Mr. Brogdon throughout the State of Texas.

since 1903 Southwestern Life has paid out to policyowners and beneficiaries a total of \$71,056,985.87.

An intensive agency training program begun by the company the first of last year kept pace with the company's growth Mr. O'Donnell said. This program, he said, has as its objective the development of agents thoroughly equipped to give the highest possible degree of public service.

MRS. LOU FULLER IS BURIED AT NORTH ELM

Funeral services for Mrs. Lou Goodnight Fuller were held Wednesday at the North Elm Baptist church with interment in the North Elm cemetery at 3 p. m. Wednesday, Feb. 19th.

Mrs. Fuller was a native of Milam County and would have been 80 years of age on July 30th. She was born in 1861.

In 1880 she was married to J. R. Fuller who preceded her in death on July 10, 1930.

Thus has the life of another of our pioneers come to an end. They were of the generation of people who laid the foundation for our present civilization and on Wednesday when she was buried many who had known her through the years came to pay their tribute.

Mrs. Fuller was a descendant of the famous Goodnight family. The best known of these pioneers was Charles Goodnight who saw his first service as a cattle man near Jones Prairie before the Civil War. He later moved West to the Panhandle and there became famous for his ownership and operation of the famous Goodnight ranch.

Rev. Johnnie Cole of Waco, pastor of the church, conducted the service assisted by Rev. P. L. Caperton of Cameron.

There were born to Mr. and Mrs. Fuller seven children, six of whom survive as follows: Mrs. B. G. Rice, J. M. Fuller, Mrs. Claude Sproull, Mrs. R. F. Hurry, Mrs. Cecil Stevens, and S. R. Fuller. In addition there are thirty-five grand children and fourteen great grand children of the immediate family.

Two brothers, Charles Goodnight of Waco and Henry Goodnight of Del Rio and one sister, Mrs. A. J. Bird of Dublin survive.

Mrs. Fuller had been a devout member of the Baptist Church for many years becoming a member at the age of thirteen.

Masons Will Meet Here February 27th

San Andres Lodge No. 170 A. F. & A. M. will hold regular meeting on Thursday, February 27, 1941, at 7:30 p. m.

George Washington program will be the special feature of this meeting.

Refreshments will be served after the meeting. All Master Masons are invited and members of this lodge requested to be present.

FUNERAL SERVICES FOR MRS. CHAS. BRADY HELD

Funeral services for Mrs. Charles A. Brady who died in Cameron shortly after 10 a. m. Friday were held at 3:30 p. m. Saturday, February 22 in the Lutheran Church at Giddings.

At 1 p. m. services were held at the home in Cameron by Rev. John W. Mills, pastor of First Methodist church. The body was taken to Giddings in a funeral coach of the Coleman Funeral Home.

Mrs. Brady died from a blood ailment which physicians say was incurable. She had been in the hospital in Cameron for blood transfusions for the past three months, from time to time.

The body was in the home from Friday afternoon until the funeral Saturday and throughout the time friends and neighbors sought in every way to express the sorrow and the sympathy which each one feels over the untimely death of this beloved wife and mother.

Mr. and Mrs. Brady came to Cameron more than 10 years ago established the B & B Studio which is celebrated throughout Central Texas for its fine photographic art. They found in Cameron a large circle of friends and from their work and citizenship had grown an appreciation which was evidenced upon every hand today as the funeral procession moved south to the ancestral home in Giddings where the funeral was held.

The family built two homes, one of which was located near the Slocomb residence north of the city limits, and last summer a new modern home was built into which they moved in the early Fall, and although at Christmas time Mrs. Brady was critically ill the parents enjoyed with their children a happy time.

Throughout the days of her illness she was brave and expressed concern for the welfare of others and those of her immediate family and friends who were doing everything possible to provide for her comfort and to keep alive hopes that she might survive and continue to be a blessing in the home.

When the end came her faith and resolution were unshaken, and to the husband and the four children who survive, as the years come and go, the heritage of such a life will be theirs and the inspiration of it will go with them.

Mrs. Brady is survived by her husband, Charles A. Brady of the B and B Studio, and four children as follows: Charles, Almarice, Andrea and Edward.

Also surviving are her mother, Mrs. Hillsberg of Giddings, one sister and two brothers, all of Giddings.

Surviving relatives of Mrs. Brady who live in Giddings are her mother, Mrs. Minnie Hillsberg, and two brothers, Emil Hillsberg and Norman Hillsberg. A sister, Mrs. Carl Bohot survives and lives in Waco.

Pall bearers were: B. F. Bonds, E. H. Coffield, J. B. White, R. G. Grabiner, Dr. Arthur E. Kruse and John Jeter.

Texas Independence Will Be Celebrated At Old Washington

On Sunday, March 1st, the 105th anniversary of Texas Independence will be celebrated at Old Washington on the Brazos.

Outstanding speakers to be present are Brigadier W. G. Gilks, national chaplain, Judge James V. Allred and Governor W. Lee O'Daniel. The super attraction of the day will be J. Luther Stark and his Bengal Guards who will give a thirty minute drill. A coast artillery regiment of antiaircraft from Camp Hughson will demonstrate all equipments of modern warfare against moving planes.

Thomas Jefferson White returned to Fort Sam Houston Thursday to resume training in the United States army. He has been at home severely ill for the past ten days and was released yesterday by his physician to return to the training center at Dodd Field.

INVITATION MEET TO BRING HUNDREDS HERE

Cameron's Ninth Annual invitation Track Meet which is sponsored by Charles M. Hicks of the Yoe High School faculty, will be held here on Saturday, March 8th.

Mr. Hicks has just completed mailing invitations to schools throughout a large part of Texas and if weather conditions are favorable the 1941 track meet will be one of the largest ever held.

It is interesting to note that in 1940 more than fifty schools were represented with four hundred contestants.

The meet will begin promptly at 1:30 p. m. with preliminaries in most events and will close in the evening with the finals.

Gold medals will be given to first place winners and silver medals will go to second place winners while gold bronze medals will be awarded to third place winners. In all there are 57 medals to be given during the track meet.

Two trophies will also be awarded one for the 440 relay and one to the winning team in the 1500 yard relay. Southern Engraving Company will give a track trophy to the team scoring the greatest number of points and another trophy will go for the team scoring the second largest number of points.

A gold track shoe will go to the high point man and to the second place man.

Mr. Hicks has issued a four page mimeo-graph prospectus given the exact time of all events and those in charge. He also gives the results of the meets for the past three years and includes an entry blank and a record sheet for the convenience of schools entering teams.

The track meet is one of the big events of the year for Cameron. Newspapers throughout the state are interested and local correspondents are asked to file numerous stories on the results. The Cameron track meet is said by school authorities to be one of the best events of its kind in the entire state and the competition is stronger than in any other meet outside the state finals.

Mr. Hicks for his untiring efforts in promoting these meets, has performed a real service to his City and the cause of Interscholastic League Athletics.

BUSINESS MEN IN SESSION THURSDAY

Fifteen local business men met in the District Court room at 10 a. m. Thursday to hear an explanation on the District organization Plan of the East Texas Chamber of Commerce by Julian Capers, Jr.

Milam county is one of eleven counties to make up District 4 and W. A. Wilson is manager of this district with headquarters in Waco.

In 30 days Mr. Wilson will visit Milam county to assist the rural communities and cities in the county with their specific needs and problems.

They will be especially encouraged and aided in their efforts to set up local Community Councils, which in turn shall have a representation in the District Councils.

New Buick Makes Favorable Impression In This Territory

The new Buick automobile for 1941 is attracting wide attention in Cameron and trade territory through the local dealer, John Muse Motor Company.

A number of the new cars have been sold and the factory which is a branch of General Motors is running an advertising campaign in the Herald for the benefit of Mr. Muse's territory.

Mr. Muse says the New Buick has created a sensation not only in his territory but throughout the nation and points to its increases in sales as evidence of popular approval.

Mr. Muse always has in his show room the latest model for show and demonstration purposes.

WITH HELP OF ITALY SAYS GERMAN LEADER

Adolf Hitler in a speech today celebrating the anniversary of the organization of the Nazi Party in Germany, told the world that he would starve and destroy England.

The German leader whose armies were said to be poised for an invasion of Bulgaria said he had learned how to wait.

This is an amazing about face for Hitler for he has been accustomed to lighting light speed and to have his way.

This statement was taken to indicate that the German leader had resigned himself to a long war and hopes to gain a victory over England by blockade methods and war upon commerce.

With the help of Italy Germany has been pledged by Hitler to continue the struggle to the bitter end with the view of destroying the British empire.

It was believed in London that Germany would begin an invasion of Bulgaria within the next few hours depending somewhat upon the action of Turkey.

From Ankara the report came in that Turkey had manifested an intention to resist if the Nazi army invaded Bulgaria.

What Soviet Russia would do still remains a mystery in some quarters while other capitals conceded that Stalin would do nothing to aid Bulgaria but on the other hand would move in for his share of the spoils whatever they may be.

In the Far East the situation remains unchanged with the Japanese disclaiming any responsibility for war like acts and accusing the United States and Great Britain of fomenting war.

In Washington voting on the Lend Lease Bill was due to get underway by Wednesday with the week providing passage of the bill.

Opponents of the bill were said to concede that its enactment would be realized by a vote of almost two to one. Full debate was being permitted by administration forces in a show of regard for free speech and no move had been made to force the issue.

JUNIOR PLAY HERE POSTPONED TO FRIDAY

The Junior play, "One Mad Night," scheduled to be staged at Yoe High School auditorium Tuesday night, February 25, has been postponed until Friday night, Feb. 28, because of illness among the cast.

Mrs. R. T. Patterson who is directing the play telephoned the Herald early Monday and merchants who contributed to the success of the play by taking advertising space on the program, are advised that this program will be distributed on Wednesday instead of Monday.

The play is attracting much attention. A large crowd is expected to be in the auditorium when the curtain is raised at 8 p. m. Friday.

TODAY'S IMMORTALS

Ten negroes all volunteers, will be sent to the United States army on March 1st, it was announced here today by Local Board No. 2.

The Local Board has a large number of negroes in military age who want to volunteer for service but calls have not been received for them in proportion to white men because of the difference in population in the County.

Today's Immortals are Jackson Henderson, Jr., J. D. Miller, Jim Daniels, Jr., William Terry, Gloria Williams, W. C. DeBose; Freddie Lee Nichols, Coleman Kelley, Jr., R. J. Nelson and Ellis Young, Jr.

WPA MEETING IS WELL ATTENDED HERE

Approximately thirty WPA project sponsors and representatives of Civic organizations were present for a meeting in the District Court room on Tuesday morning.

Miss Mona Jarrell of Austin discussed the school lunch program. The extent and purposes of the Works Progress Administration were explained by Joe Minton of Austin.

C. E. Wayman, District Manager, called the meeting for 10 a. m. Tuesday.

Kenny Baker of Temple visited friends in Cameron Saturday.

Ray Wiese of Austin spent the week end here with friends.

LITTLE DAILY'S APPEAL GETS 6 STOVES FOR RED CROSS SEWING ROOM

Dr. James Watson, Chairman of the Red Cross for Milam County, told the Daily Herald Tuesday that the news story published last week asking for gas stoves for the sewing room of the organization had brought in six.

The appeal was made by the paper to aid the Red Cross and to provide heat for the workers in the second story of the building occupied by the Blue Bonnet Cafe. "The appeal was very effective," said Dr. Watson. "Six people telephoned to offer stoves for use in the room."

SLAUGHTER-TUCKER

Edward Schiller, student of Texas University, visited relatives here this week end.

William T. Slaughter, son of Mr. and Mrs. D. H. Slaughter of Cameron and Miss Marcie Tucker of Austin were married Friday, Feb. 21st in Austin.

The couple left immediately for Dallas and Oklahoma for a short wedding trip.

Mr. Slaughter will be associated with the Thomas & Ratliff Construction Company near San Antonio.

TO GO TO HAWAII

Walter Plocek, Jr., son of Mr. and Mrs. Walter Plocek, who is in the United States Navy at San Diego, Calif., will be transferred to Hawaii in a short time, it was announced today. Walter is a graduate of Yoe High School and writes home to his family that the Navy is O. K.

William T. Hefley Gets Promotion to Major in Air Service

William T. Hefley who graduated from West Point in 1928 has been made a Major in the air service of the United States.

Until recently Major Hefley was a Captain and his promotion is regarded as well deserved because for the past 13 years he has been in the military forces of the country. He is now stationed in Washington.

After completing West Point where he took an engineering course he was assigned to active duty but became interested in the air service, and when the Federal government took over mail contracts some years ago he was assigned to night flying and is regarded as one of the best pilots in the service.

He is a son of Mrs. Wm. T. Hefley of Cameron who was for a number of years post master.

Miss Lella Trice visited in Nacodoches over the week end.

Mrs. Rufe Cryer of Val Verde was a Cameron visitor Saturday.

ITALIANS CRUSHED OUT OF AFRICAN EMPIRE

British sea power was reported today to be responsible for the capitulation of the strategic Dodecanese Islands only a short distance from the Dardanelles, expected momentarily.

These islands were heavily fortified by the Italians. The population was starving because of the British blockade and a small number of soliders who escaped into Turkey told the authorities that the island would surrender within a few days if not sooner.

The Greeks were pushing through on a wide front in Albania and the Italians were on their customary retreat.

The Italian empire in Africa was said to be in imminent danger of complete collapse. British officials in Egypt were expected to make arrangements for transfer of a large military establishment to Greece. Plans of this nature was assurance of British faith that Italy has been crushed out of Africa.

Developments in the Far East continued to account for the tension which may produce a Far Eastern conflict in which the United States will be involved.

The big question mark was whether Japan would strike at Singapore or be content with her present expansion into South Eastern Asia.

A British move into the Balkans through Greece was regarded as an effort to encourage Turkey to enter the war which that nation is pledged to do if the war should spread to the Eastern Mediterranean.

SCHILLER-MIKULA

The marriage of Miss Annie Mae Mikula, daughter of Mrs. Martin Mikula of Ad Hall and Jerry Schiller, son of Mrs. Ed Schiller of Yarrington, was solemnized Jan. 28th at 3 o'clock p. m. at the Justice of Peace office, Womack Brashear officiating.

The bride wore a lovely costume of crepe and a rose straw poke shopped hat; her corsage was of white cyclamen and for something, old, she wore a wrist watch.

A bountiful supper was enjoyed that evening with many friends as guests, at the home of the bride. The wedding cake was baked by Mrs. Oliver Gravender, and was served by Mrs. Gravender, Mrs. W. F. Horrelia, and Mrs. Willie Horrelia. The dining room was made more attractive by the floral decorations. Mr. and Mrs. Schiller received many beautiful and needful gifts for their home. That evening a dance was enjoyed at the home of Mrs. Joe Horrelia's with music furnished by "Proviok Band." Mr. and Mrs. Schiller will reside in the Tracy community where Mr. Schiller recently purchased a lovely home.

JURY COMMISSION NAMED

On Friday morning Judge Jeff T. Kemp appointed a Jury Commission to select juries for the April, June and August terms of County Court.

They are as follows: Herman Fox of Edgeworth, M. R. Looney of Branchville and Gus Johnson of New Salem.

Mr. and Mrs. Bob Busker of Lott were visitors in the home of Mr. and Mrs. Henry Dakel Sunday

Laid End to End They Add up to a Swell Idea

We mean these Four New Additions to the Buick SPECIAL Series that Give you Big-Car Thrill in less Curbside Space

THE way cars have been stretching out lately, it usually takes only a couple of cars to occupy the curb space of an extension-ladder fire truck.

Not so with the newest additions to the 1941 Buick line.

Here we've reversed the trend—just to prove that an honest-to-golly BIG car can be built without going overboard on bumper-to-bumper distance.

The four new models now adorning the Buick SPECIAL Series fit neatly into modest garages without putting a permanent crimp in the doors.

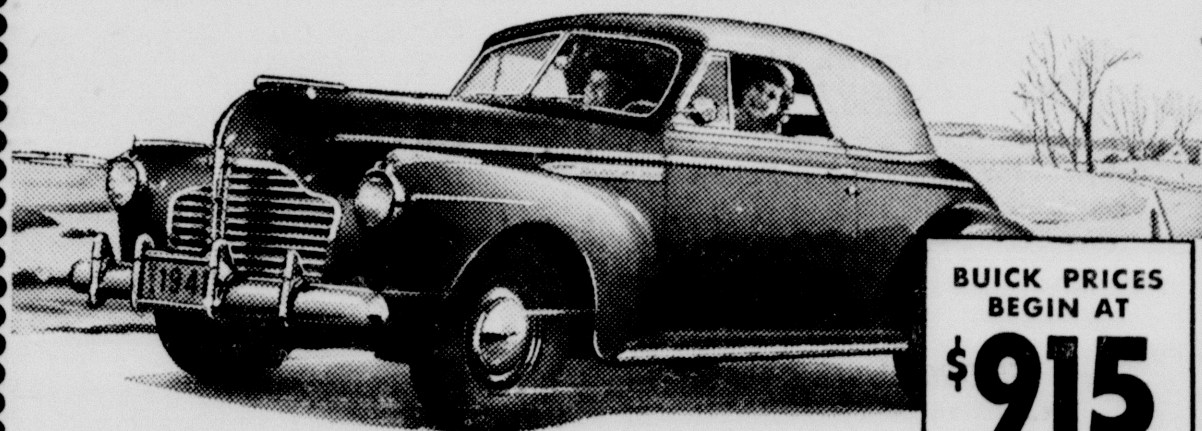

They slip into parking places smoothly as a rowboat nestles up to a

dock—and the way they flit through traffic is a delight to wheel-weary drivers.

When it comes to action—well, they've got a 115-hp. FIREBALL eight under their bonnets that skims you down the road like a mallard heading home. You can add Compound Carburetion at small extra cost and have 125 horsepower that does things we hardly dare hint about in print.

But they're a handy six inches shorter, bumper to bumper, than other Buicks—a quartet of top-quality cars in a new and easily-handled size.

The price? It's lower too. So better take a look at the first really BIG car in this bumper-to-bumper size.

the local relief office and instead those on relief would be given stamps and these stamps will be the same as cash for the purchase of certain foods which they need. There is another advantage to the plan. It would give all of the old people who are drawing pension checks an opportunity to cash their vouchers and purchase stamps and when they do so they are given an additional allowance which makes their checks go much further. This same arrangement also is available to all men employed on WPA projects. Under the present system the County is paying for transportation of these food products and under the new system while the county would have to pay some of the overhead costs there would be a saving. The Commissioners' Court would underwrite the stamps by establishing a fund of approximately \$8,500 but this money is never paid out or lost. It is merely a revolving account. After looking into the proposition the Herald believes the Commissioners' Court should proceed at once to make arrangements for the Stamp Deal. If the government is to con-

tinue its relief program and there is no indication it will stop, the business men of Milam County should have the benefit of arrangements which means legitimate trade and also because the plan would further aid those who are dependent upon the government for support.

More than two centuries ago the Father of Our Country, George Washington, was born on Bridges Creek in Westmoreland County Virginia. He was the first President of the United States and so great has been his influence on Democratic forms of government that even in this day, two hundred and nine years after his birth, many still quote the words of Washington.

A national holiday, February 22, is being observed in Cameron. The necessity for commercial operation often obscures the duties we owe to the memory of those who have shared the destiny of America. In Cameron today the banks and the Federal government offices are closed. National holidays having to do with the birth of men do not command the wide observance as do events such as July 4th and Armistice Day. It is difficult to estimate the influence

of Washington not only upon the affairs of his native country but that of other countries. He was directly descended from an old English family who lived at Sulgrave Manor in the North of England. Little is known of Washington's boyhood and many of the stories told of his early life have not survived critical investigation. His father died in 1743 and the care of the family fell to the lot of the mother. Washington received only an elementary education. He lived on the frontier. Since early childhood we have quoted the famous words, "First in war, first in peace and first in the hearts of his countrymen." As time passes the greatness of Washington takes shape more definitely in the realm of statesmanship. Actually most of his life was spent in war. In the early days he was found fighting in the defense of the British but his ideas soon came into conflict with the theories of government held by the British. He had so distinguished himself as a military leader that as a member of the early conferences looking toward independence, he had very little to say. Washington was ready and when the time came he stepped into the breach and because he was ready he became the greatest of American leaders. Today as we observe his birthday it is well that we remember the things he said and the things he did. To appropriate his philosophy is to grow more convinced of the value of his contribution to human progress. America, with slight incursions, is still the Republic of Washington.

CARD OF THANKS

We are deeply grateful to our friends and neighbors for the splendid way in which you responded to our recent great sorrow at the death of our dear relative, Bob Luce. In times like these, friends can not be over estimated. For your sympathy and understanding we will always be thankful. You helped us to bear up under this great burden of sorrow. We thank those who gave flowers to express their sympathy and all who in any way assisted us.

The Luce Family.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Recommended, too, 25 to 40 doses, 25c.

No Men Called In Draft Orders Received Locally

Calls No. 7 and 8 issued from Selective Service headquarters and received by the Local Board, specify that no men are to be called.

It was believed here that the Local Board was being credited with men who have enlisted through the local recruiting office of the army during the past few months and for this reason no men are to be called in early March.

The Local Board has approximately 31 men available for immediate induction and was not aware that the March calls would specify no men from the Local Board.

This does not mean that other Boards will not send in men for induction in March but does mean that the Cameron Board will not be required to send any men

WASHINGTON IS TOLD TREATY WILL BE UPHOLD

AIR BULLETIN

The Herald heard today that 12,000 German soldiers had crossed the frontier into Bulgaria.

Turkey will fight if German troops move against Greece.

The government of the United States and Great Britain were told today that Turkey intends to fulfill her treaty obligations to both Britain and Greece and any move by the Axis powers which threatens Greece will be regarded as an act of war on Turkey.

In Washington when the Turkish ambassador informed the State Department of the decision of his government, newspaper men questioned the Turkish representative for elaboration on the statement, and he replied that only one interpretation could be made and that was the usual alternative when a country guarantees its treaty obligations.

When asked if this meant war the representative said yes.

In London today the British were gratified and jubilant over the attitude of Turkey.

It is entirely possible Hitler will stop with occupation of Bulgaria.

The Greeks have said they will not stop fighting until all the Italians have been driven out of Albania.

On the African war front came the startling news that German troops and British troops have clashed in their first battle on the desert.

This announcement was made yesterday from Rome. There was no indication of how many Nazi troops had reached North Africa.

The British announced the capture of Mogadiscio, the capital of Italian Somaliland.

The British were said to be contemplating a momentous decision whether to entirely pinch out the Italian army in Africa or put an army into the Balkans for the defense of Greece and to fight it out with the Germans.

There was no indication that the British would let up until Ethiopia has been reconquered and the Italians rendered helpless in other parts of Africa.

The Royal Air Force continued bombing of the French coast and German submarine bases along the Channel.

NABOURS FAMILY HERE TALKS WITH BOB H. IN OTTAWA, CANADA, SUNDAY

Bob H. Nabours, son of Mr. and Mrs. Homer Nabours, now stationed in Ottawa, Canada, where he is attending a special wireless school, talked with his family in Cameron by long distance telephone Sunday evening.

It was Bob's 22nd birthday and the family placed the call for him in Ottawa.

During the conversation a young man who had escaped from a German concentration camp and who was introduced as "Toto" by Bob, also talked with members of the family. Toto is an Austrian and was sent to a prison camp after Hitler's conquest of Austria.

Bob H. from early youth has been interested in radio and when he has completed his course will no doubt be transferred to sea in the Canadian navy or the merchant marines.

Mr. and Mrs. Joe Hollas and children, Maurine, Clarence, Mrs. H. Jistel and Herman Bayer visited in San Antonio this week end with Ervin Hollas who is in the air corps, now leaving for Salt Lake City, Utah.

Business Leaders to Meet in Cameron on Thursday, Feb. 27th

Business leaders of this community as well as from all other cities and towns in the county, are invited to attend a meeting in Cameron on Thursday, February 27th, at 10 a. m. to discuss a district organization plan of the East Texas Chamber of Commerce.

F. G. Blake of Cameron has been requested to make arrangements for the meeting which is to explain to leaders a new set up and to enlist their support.

Hubert Harrison, general manager of the East Texas Chamber of Commerce, in a letter to the publisher of the Herald, requests publication of a news story about the coming meeting on Thursday.

The East Texas Chamber of Commerce is one of the outstanding organizations of its kind in the United States and a little of its enthusiasm and program of progress should be helpful in all of the communities in its area.

The Herald has received no announcement from Mr. Blake concerning his share in this meeting but is assuming the meeting will be held in the offices of the Chamber of Commerce at 10 a. m. on Thursday, February 27th.

WITH THE BAPTIST

Winter was here Sunday, cold and wet. Can't we imagine how Noah felt when he saw sunshine and dry ground? Baptist Boosters did not mind a winter Sunday and fortunately at the church the Lord's work went ahead.

At 9:45 we had 122 in Sunday School and a good crowd for church. Three boys came making a public profession of faith in Christ in this service. 46 were in Training Union and in the Evening Service. Mr. Carl K. Cain gladdened all of us by the spirit in which he promised to lead our Training Union activities. Study Course for Training Union will begin March 9th and run through March 14th.

Our deposits was about \$90 short Monday morning for our deposit slip showed some few cents less than \$100.

The Woman's Missionary Union observed their quarterly study course Monday afternoon. About 20 women were present to study the "Trial of Seed" preceding the week of prayer next week for State Missions.

It is good news that seven thousand young people marched in the Parade against a possible legislature compromise on intoxicating and race track activities in Austin last week.

You know, I like the way a postage stamp sticks to the letter, and it gets somewhere. Here is a sermon for us as Christians, if we will stick to the Bible and church we will get somewhere.

Baptist leaders have declared March 2-9 to be Loyalty week. However, this fact must 'soak in' on about 1000 Baptist church and Sunday School people before we can hope to have 100 per cent attendance. Let's all be faithful for two Sundays. Heavenly promises are made out to those who are faithful.

9:45 Sunday Sunday. I do not know "What you have up your sleeve" but our high hopes here are that you will be in one of our 60 classes Sunday studying Luke 19 "The Authority of Christ." 11:00 Sermon, "Christ Is Power to Business." Training Union at 6:21. 7:30 Sermon, "Jesus Increases, But I Must Decrease." John 3:30.

We invite you to the Church where there is no Creed but Christ no law but love.

Sherwood McClaren of Marlow transacted business in Cameron Wednesday.

Mr. and Mrs. J. Hollas, Maurine, Clarence, Mrs. H. Jistel and Herman Bayer visited in the homes of Mrs. B. Craig, Mrs. H. L. Freeman and Mrs. O. Burns while in San Antonio.

Grady Stidham of Calvert visited relatives and friends here this week end.

Four Cameron Boys Win in Fight Card Feature Bouts Friday

On Friday night Red Bell pounded out a decision in one of the feature bouts of the Central Texas fight dealt Pete Lange of Bartlett some card at the Temple YMCA. Bell hard body punches and carried the fight most of the way. Although he took a severe punishing, Lange never stopped swinging. Bell seemed much improved since the Golden Gloves Tournament and showed better form and more power in his punches.

Bennie Harris, Cameron bantamweight fought his first bout and won the decision over Edwin Childress of Killeen, in a close fight.

Owen Stidham won a bout from Milton Kattner of Killeen with both men evenly matched. Although the opinion of the fans seemed to favor Kattner as the better fighter, the judges decision was Stidham.

The aggressive tactics of Putley Dierr won his bout from G. B. Dolan of Temple in another decision. Dierr out punched his opponent all three minutes of the bout.

These fighters showed much promise and are certain to appear on many future fight cards. Cameron should be proud of them. They will receive boxing trunks as awards.

PYTHIAN DEGREE TEAM CONFERS RANK OF KNIGHT ON TEMPLE CANDIDATES

Forty-seven Pythians from Cameron were visitors at a meeting of the Midlothian Lodge of Temple Thursday night when the Rank of Knight was conferred on six Temple candidates and three from the local lodge.

The Cameron degree team conferred the Ranks on R. M. Gjedde, Geo. Mitcham and Ben Edmonds of Cameron and James Talasota, W. L. Liles, Winford Taylor, Willie Wolf, L. H. Brown and Joe Carroll of Temple.

An oyster supper for all present followed the meeting.

NEW ARRIVAL

Mr. and Mrs. D. C. Harmon of Galveston are the proud parents of a 7 3-4 pound baby born at Cameron hospital on St. Valentine's Day, Feb. 14th. The baby has been named Patricia Kay. Mrs. Harmon was formerly Miss Edith Lucas and is the daughter of Mr. and Mrs. Walter Lucas.

NEWS FROM SAN GABRIEL

The San Gabriel community was saddened when death summoned Rev. J. C. Moore to his heavenly reward. Rev. Moore, pioneer and beloved Milam County citizen, died at his home in San Gabriel on Thursday February 20, after an illness of several months. Rev. Moore was a retired Baptist minister.

Early in manhood he was ordained to the Baptist ministry. He served the pastorate of the Lilac and San Gabriel Baptist churches. It is said that he traveled in a buggy to fill his appointments at the Lilac church. He was a devout member of the San Gabriel Baptist church where he lived a beautiful and consecrated Christian life. He was liked by both old and young and influenced the community by the life he lived. He always had a word of kindness for a bereaved family in hours of death and had aided in the final rites of his dear friends and neighbors.

After retiring from the ministry, he served as Sunday School super-

intendent of the San Gabriel Baptist Church, until declining health kept him at home. His successor as superintendent of the Sunday school is Willard Chapman. He was one of the outstanding members and leaders of the Baptist church.

Rev. Moore was interested in education and helped to foster and promote it in the community. He also took an active part in the government affairs.

Funeral services were conducted from the San Gabriel church at 2 p. m. Friday, February 21st. The little white church was the scene of the final rites of one of its beloved leaders.

Young in life he and his wife married and settled in San Gabriel where they erected a home on a hill overlooking San Gabriel. To this happy

union were born four daughters. They in turn married and made their home in this community. In the summer of 1940 Mr. and Mrs. Moore purchased the F. M. Amason home and retired to spend their last days here. Mrs. Stigall of Houston came to live with her parents.

Surviving Rev. Moore are his wife, four daughters, Mrs. Bill Clark, Mrs. Noah Barron and Mrs. Fred Stigall all of San Gabriel and Miss Tommy Wilson of New Gulf.

On Friday afternoon he was buried in the Locklin Cemetery not far from his home.

HOUSEKEEPING...

is the world's biggest business

HOUSEKEEPING IS THE BIGGEST JOB IN THE WORLD

HOUSEKEEPING is a bigger job without dependable gas service!

Someone has figured out that the average housewife washes 1,129,267 dishes, pots pans, etc., before she is fifty. Think of the staggering amount of dishwashing done in this community during a year and the barrels of HOT WATER it takes to do the job.

HOUSEKEEPING is a bigger job without dependable gas service!

Who watches the temperature at your house during cold weather and guards the family's health while doing a thousand other things? You're right, it's the housewife in nine cases out of ten.

HOUSEKEEPING is a bigger job without dependable gas service!

Who sees to it that plenty of hot water is on hand at all times for the thousands of baths the family takes in a lifetime? Again you're right—it's the housewife.

HOUSEKEEPING is a bigger job without dependable gas service!

There are over 1095 meals cooked in the average home each year. Think of the enormous cooking task of preparing 22,000 meals before Junior is old enough to vote.

YOUR DEPENDABLE GAS SERVICE HELPS WITH THE BIGGEST JOB IN THE WORLD AT A COST THAT AVERAGES ONLY A FEW PENNIES A DAY.

...but dependable gas service makes every housewife's job easier!

Mothers and wives—the homemakers and housewives of this community—are vitally concerned with the kind of gas service available to them. We say vitally concerned deliberately because they are responsible for "keeping the home fires burning." They are the ones that realize the full importance of dependability because they would be the first to suffer most if their gas service were not dependable. Anything that has to do with gas service comes under the head of important business to them.

There was a time when gas service was sort of a "catch-as-catch-can proposition" with no assurance that gas could be counted on for even the ordinary domestic uses of today. Often the supply was from single fields furnished by one line. It was the horse and buggy era of "TWO STOVES IN EVERY ROOM." When gas wasn't available, housewives had to rely on a makeshift arrangement, with coal or wood as a substitute.

Today your gas service, supplied by an interconnected pipe line system reaching out to more than 1200 wells in 60 fields, removes all the inconvenience and insecurity of the "TWO STOVES IN EVERY ROOM ERA."

Southern Select
TASTES BEST

Just for fun, George Brown saved bottle caps as a record of the ten different brands of beer he tested for taste. He says:

"I got tired of ordering one brand of beer one time and another the next. I made up my mind to find out once and for all which has the best flavor. I sampled ten leading brands and only Southern Select had that light, delicate taste I was looking for. I tell you Southern Select is in a class by itself for quality."

You'll say Southern Select is swell! Brewed from finest grains! Aged for months! Only beer in the South brewed with distilled water! Order Southern Select today!

Mr. White:

I wish you would please publish the following paragraphs, that I think will interest the workers for the American Red Cross of Milam County. So many of our helpers want to know whether the garments are sent to English soldiers or to refugees. The following explains in full:

"If you should lose your clothes in an Air Raid, is the heading of a story from the Birmingham (England) Gazette, it states:

"If you should lose your clothes in an air raid you may be supplied with some of American manufacture and design. I understand a large quantity of American clothes (old and new) has recently arrived in this country, and is being distributed to rest shelters in different parts of England and Wales.

"The clothes are the gift of the American War Relief Fund and the American Red Cross. They have been sent to replace any that have been lost in raids."

As chapter people know, the American Red Cross has sent only newly chapter produced or manufactured clothing to Great Britain.

Thank you.

Mrs. Weldon Preston Hogan, Publicity Chairman, Rockdale, Tex.

REV. JOHN MOORE DIES THURSDAY

Funeral services for Rev. John Moore were held at 2 p. m. Friday from the First Baptist church in San Gabriel with Rev. Leon Vorpahl, pastor, officiating. Interment was made in the San Gabriel cemetery.

Rev. Moore had been a resident of the San Gabriel community for about six years, having retired from the pastorate of the Baptist church some years ago. Rev. Vorpahl is his successor.

Surviving Rev. Moore are his widow and four daughters as follows: Mrs. Bill Clark of San Gabriel, Mrs. Tommy Wilson of New Gulf and Mrs. Fred Stigall, Mrs. Vera Barron both San Gabriel.

Rev. Moore passed away at 10:45 a. m. Thursday at the family residence at San Gabriel.

WORLD OF PRAYER

Women of all our churches will assemble Friday of next week in towns and cities, as well as in rural communities, to express their loyalty to God, Our Father, and to ask his guidance in this time of trial.

Cameron Council of Church Women has secured copies of the printed service written by a group of Chinese women for use on this World Day of Prayer. The local church women will assemble for their united service at the Baptist Church at 3 o'clock on the 28, and all interested are cordially invited to attend.

Mrs. Meta McCown, Chairman, is asking women from the several local churches to assist in conducting the service.

The offering at all World Day Prayer services will be devoted, as in former years, to Christian Literature, Work Among Migrants, Indian Schools and Union Christian Colleges.

YOEMEN LOSE

The Yoemen were defeated by Normean 30 to 20 in the District Meet in Bryan Thursday. The Yoemen won the County Championship and the season's record shows 14 wins and 5 losses.

Virgil Lake who is employed at Penny's underwent an appendicitis operation at the Cameron hospital Friday morning. His condition was not known at this writing.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

MOTHER AND DAUGHTER BANQUET THURSDAY NIGHT

The reception room of First Baptist church was the scene of the Mother and Daughter Banquet on Thursday night. The occasion saw approximately one hundred people present.

Miss Emma Jean Johnson, was toastmistress and introduced Rev. C. W. Sanders, pastor.

Frank Newton and Miss Martha Frances Brogdon rendered a cornet duet, followed by a reading by Miss Mary Frances Hensley. Miss La Nette Hilmyer then sang "Songs My Mother Taught Me."

Miss Johnson in her best form as toastmistress, introduced Mrs. T. H. Vaughan of Rosebud, principal speaker. Mrs. Vaughan spoke on "Our Most Needed Defense," ending with the poem "Our Influence."

She introduced two girls, Misses Frances Ocker and Wanda Lee Hill of Rosebud who have attained the rank of Queen in the Girls Auxiliary of the First Baptist Church in Rosebud.

A chicken salad plate, ice cream and coffee were served.

Rockdale Lions Club Marks Charter Night

Rockdale, Feb. 21.—The Rockdale Lions club observed charter night with a banquet here Thursday night. A crowd of more than 100 attended.

Besides the local members and their wives, guests came from Austin, Taylor, Thorndale and other nearby cities.

E. B. Camp of Cameron was toastmaster and O. C. Acree, also of Cameron, was guest speaker.

The club's new charter was presented by Mel Miller, district governor of Austin. Acceptance was by Clyde Franklin, president of the Rockdale club. The Rockdale Lions are sponsoring the organization of a new club at Thorndale.

Rockdale Flier to Join Canadian Force

Rockdale, Feb. 21.—Harold A. Moore of Rockdale this week left for Canada, where he will serve as a flight officer in the Royal Canadian air force.

He went from here to Dallas by train, catching an American Airlines plane there for Canada. He is due to assume his duties at once.

Knights of Pythias Plan Anniversary On February 28th

GO AHEAD, AMERICA! ELECTRIC POWER IS READY FOR NATIONAL DEFENSE

THE electric industry is ready, willing and able to serve the nation's needs for power.

So go ahead, America... with the production of clothing, food, shelter and medical supplies for our sons in training camps... with the building of planes, ships, tanks, guns and other defense materials.

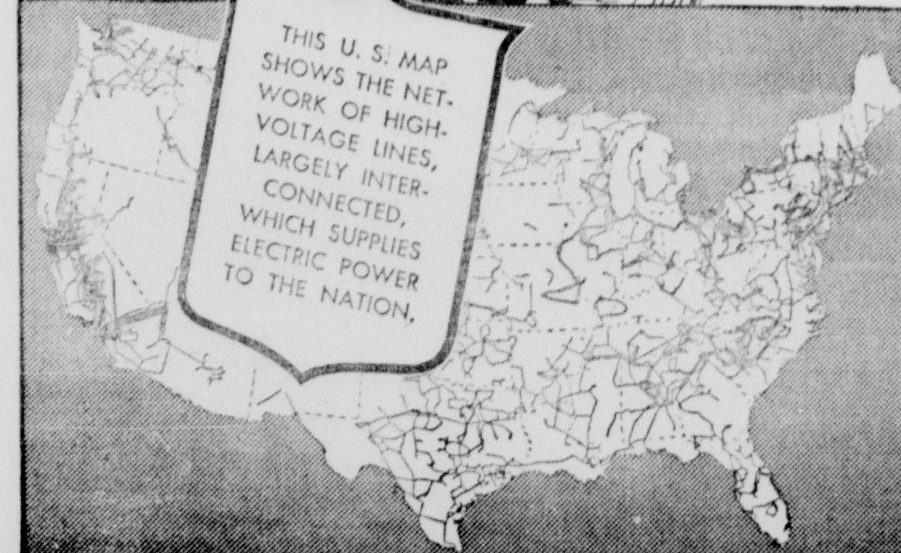

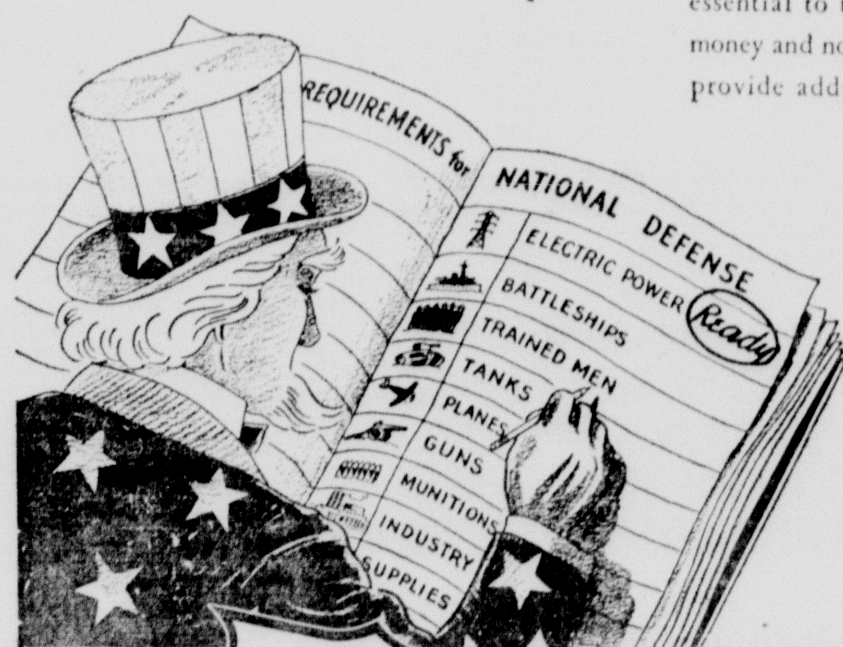

Go ahead, America... electric power is

ready and waiting wherever, whenever and to whatever extent these national defense activities have need for it. Electric power companies all over the nation have planned ahead that their personnel and facilities might be ready for such emergency demands.

Go ahead, America... use all the available money for needed materials and supplies essential to the nation's defense... no tax money and no federal funds will be needed to provide additional electric power facilities.

That comes as comforting news to all of us just now when vast sums must be provided from the public treasury for defense expenses.

Go ahead, America... electric power is ready.

The Texas Power & Light Company is meeting the power needs of National Defense in the area it serves. The Company is ready with ample reserve power to supply promptly and efficiently the increased needs of expanding industries as well as the normal requirements of its customers.

Mr. and Mrs. Elmar Horstmann spent Monday in Waco with their daughters, Misses Martha Jane and Elise Horstmann.

NO NEGOTIATED PEACE DECLARED THE BRITISH

Great Britain today declared the empire will take no part in a negotiated peace.

The speech of Adolf Hitler was called "A Beer Cellar Bluster."

The statement from the British government regarding peace was reported to have been directed to Turkey, giving rise to speculation whether Turkey might not be putting out feelers for the Axis powers. However, it was believed the statement was directed to Japan for its recent offer to negotiate for peace anywhere in the world.

The British government today announced that one thousand Italian planes had been destroyed in the Mediterranean and this number represents more than half of Mussolini's first line bombers.

At the same time the British disclaimed any interest in a negotiated peace, the government announced

that it was ready for the invasion.

There was some belief that Hitler has no immediate intention of attacking the British Isles. He seems to be floundering some and the thrust into Southeastern Europe may only be an alternative. It is certain that if Germany conquered the British Isles the sacrifice would be tremendous and Hitler may not be willing to make the attempt.

Anti-British feeling in the United States was contributing to the delay in the passage of the Lease-Lend Bill and now it is believed the Bill can not be passed before sometime next week and may be radically changed. Opponents of the Bill say that sentiment is increasing against it over the nation.

Mr. and Mrs. A. J. Jistel made a business trip to Marlin Tuesday.

Edwin Adams made a business trip to Cameron Tuesday.

Louis Tardy underwent an operation at the Cameron hospital.

MILAM CO. TEACHERS MEET MONDAY NIGHT

The Milam County Teachers Association met on Monday night, February 24, at the Yoe High School auditorium with Guy Haynes, president of the association, presiding.

Mr. Haynes introduced the County Superintendent, Mrs. Guy T. Newton, who discussed the possibility of a circulating library for rural schools and the use of the International Index System. Problems of the Interscholastic League Meet were discussed. Programs for the meet were distributed.

T. N. Wood, superintendent of the San Gabriel schools, conducted the program. First he introduced Miss Dell of the Speech Department of Mary Hardin-Baylor College, who gave a reading.

The District Convention of the Texas State Teachers Association which will meet in Austin on March 7 and 8, was discussed by L. D. Wil-

liams, superintendent of the Hearne Schools. Williams stressed the fact that the convention offered an unusual program for teachers and that a number of schools would close in order to permit teachers to attend.

TODAY'S IMMORTALS

Under call for induction on Feb. 26, are nine men as follows:

Frank Joseph Valka, Jr., Pablo Guajardo, Inosencia Guajardo, Milton Fort Rachui, Ernest Leroy Brantley, George Beauregard Miteham, Milius Rudolph Kovar, Louis Ernest Patzke, and Gillis Buster White.

These men will report to the induction center at Fort Sam Houston for one year of training in the United States army.

They become today's immortals under the national defense program and the people of this City and section salute these men for their patriotism and their sacrifice.

CHRISTIAN SCIENCE SERVICES

"Christ Jesus" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 2.

The Golden Text is: "Unto us a child is born, unto us a son is given . . . of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever." (Isaiah 9: 6, 7.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I and my Father are one." (John 10:30.)

The Lesson Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christ as the true spiritual idea, is the ideal of God now and forever, here and everywhere." (Page 361.)
